We SEE Simulation Differently: Safety ✦ Effectiveness ✦ Efficiency

PROGRAM DESCRIPTION

At CAPE, we are driven by an unrelenting focus on improving human and system performance for the benefit of our patients.

High Pressure, High-Risk Counseling for Pediatric and Obstetric Healthcare Professionals

CounselSim creates realistic scenarios for counseling patients and families facing pregnancies complicated by serious maternal and/or fetal disease, life-threatening neonatal disease, and end-of-life issues.

FACULTY

Lou Halamek, MD, FAAP
Professor of Pediatrics
Director, CAPE

Nicole Yamada, MD
Clinical Assistant Professor of Pediatrics
Associate Director, CAPE

Janene Fuerch, MD
Clinical Assistant Professor of Pediatrics
Research Fellow, CAPE

Julie Arafeh, MSN, RN
Senior Simulation Specialist

Michael Kolaitis, CNEE, NRP,
CCEMTP Simulation Specialist

PROGRAM

CounselSim

Department of Pediatrics at Stanford University
School of Medicine

Center for Advanced Pediatric & Perinatal Education (CAPE)
Simulation-Based Healthcare Training and Research Services
LEARNING OBJECTIVES

- Review strategies for discussing difficult information with the patient and/or family under time constraint.

- Describe verbal and nonverbal cues from the patient and/or family that help guide the level and amount of information that can be discussed.

- Discuss what follow up needs to occur after a difficult patient conversation including collaboration with other disciplines and documentation.

AGENDA

8:00 - 9:00 am  Introduction and Briefing
9:01 - 11:00 am  Group discussion of key concepts of difficult conversations
11:01 - 12:00 pm Scenarios with video debriefing
12:01 - 1:00 pm  Lunch
1:01 - 5:00 pm  Scenarios with video debriefings
5:01 - 5:30 pm  Evaluations, Adjourn

Stanford School of Medicine is fully ADA compliant. If you have needs that require special accommodations, including dietary concerns, please contact contactcape@stanford.edu.
